

## **Overview of Priorities 2022-2023**

*Dream, Believe, Achieve*

*Be the best you can be!*

## Overview of Priorities 2022-2023

*In Gorsewood, we aim to give all of our pupils opportunities to reach their potential within a caring and supportive environment. Children are supported and nurtured in all they do so they can learn to be their best self in all they do, both in school and away from school.*

**To continue to develop our school, we will be focusing on the key development areas below:**

### The Quality of Education

- To continue to improve the outcomes for all children in reading, writing and **maths**.

### Personal Development

- To continue to support the wellbeing of all children and support families to improve the daily lived experiences of children
  - To inspire children to dream, believe and achieve through exciting opportunities and experiences

### Behaviour and Attitudes

- To improve whole school attendance and punctuality
- To introduce a school-house system to promote a sense of belonging and further develop whole school behaviour and attitudes
  - To improve the lunchtime experience for pupils to promote social development

### Leadership and Management

- To ensure the effectiveness of the newly formed SLT
  - To continue to develop leaders at all levels
    - To manage the wellbeing of staff
